Dear Sponsor,

I would like to take a moment and introduce you to Milton Minor Baseball Association.

Milton Minor Baseball provides the opportunity for Milton's youth to play organized baseball during the months of May to August. In 2008, we had approximately 300 youth in Milton playing baseball.

Your sponsorship would allow up to 15 youth to enjoy a fun-filled summer of baseball. The fee not only covers the cost of team uniforms, but it also contributes towards equipment purchases, replacements, diamond maintenance, Town of Milton user fees, umpire fees and numerous other operational costs.

As the planning stages for another summer of baseball begins, we hope that we will see your name there too!

We have taken the liberty to attach a sponsorship form to this letter outlining the fees for the upcoming 2009 season.

If you would like to be a sponsor of baseball in Milton, please submit the attached forms as well as payment for your selected sponsorship. Payment should be made out to Milton Minor Baseball (MMBA) and mail it to the address below before March 8, 2009. This deadline is necessary as our season starts in early May.

If you have any questions or concerns, please feel free to contact us.

We hope you will join us at the parks.

Yours truly,

MMBA
